Platinum Premium Decorative Gravel

The new Platinum Range is a premium decorative gravel offering beautiful colours to enhance your landscaping project. Ideal for driveways, pathways, shrubberies, water and garden features the Platinum Range can also provide a striking edging to a display. The extensive range of colours, shapes and sizes will enable you to choose a material which will stand out or blend into any outdoor space. The Platinum range is one of the most extensive in Ireland and will satisfy the requirements of the most ambitious landscaper. By sourcing materials all over Europe we feel we can meet your needs.

Platinum decorative gravel is available in Tonne Bags or 20kg bags. If larger quantities are required, loose bulk loads can be supplied.
